Richard,

Please expect about 7 days from today for completion of the review and submission of comments for this document. However, in accordance with protocol, a QA Request form is necessary to ensure the reviewers have all the necessary information. I have attached a copy of the form for your convenience. Please save a blank copy for future requests and return a completed copy for the two Work Plans in an email so that the review process can work as efficiently as possible. If you have any questions, feel free to contact Fred Foreman, Chief, OASQA's Technical Services Branch.

Thank you for your patience and cooperation in submitting this document for review.
